Food Charity Fair with Tzu Chi Buddhist Association

A Food Charity Fair was organized, with help from the Tzu Chi Buddhist Association, within the premises of Samling Housing Products Sdn Bhd on 20 October. All employees were involved in the organization of this fair, which saw them selling not just spreads of vegetarian food, but also bags and blankets made entirely from recycled materials. The reception received from the crowd was welcoming and they managed to collect a total fund of RM4,124.70 from this event. All collected funds will be donated to victims of the recent Sulawesi tsunami.
